Who am I?

I completed my **M.Tech in Software Engineering from Vellore Institute of Technology (VIT University), Vellore** in 2019 with a 9-point CGPA.

In addition to programming, I have a knack for teaching. I have **mentored 3,00,000+ students in various Programming Languages and Web Development frameworks** so far with leading EdTech brands including UpGrad, Coding Invaders, Hero Vired and MyCaptain. **I have also taken several on-ground bootcamps in universities like Emirates Institute of Finance - Dubai, IIT Jammu and SCSVMV University - Kanchipuram and delivered corporate training sessions for employees of Ola, Innovacer, etc.**

An entrepreneur by passion, you can find me reading a crime thriller or catching up on some brilliant cinema when I am not working!
